Attn R J Schassburger

**PREPARATION OF NEPA DOCUMENTATION FOR REMEDIAL ACTIVITIES AT OPERABLE
UNIT 1 (00325) GHS-0044-93**

As requested we have initiated preparation of environmental assessment (EA) information for the CERCLA/RCRA Feasibility Study/Corrective Measures Study (FS/CMS) being prepared for Operable Unit 1. Direction has been given to the preparers of the FS/CMS to develop an integrated FS/CMS/EA consistent with the strategy described in *Integration of NEPA, CERCLA and RCRA for Activities Under the Interagency Agreement at Rocky Flats Plant* or delivery on its due date.
